Romantic movies set in the United Kingdom

# Describing and reviewing a film

House of Gucci is a non-fiction film about fashion, love and murder. The focus of the film is on Patrizia Reggiani, an enthusiastic Italian woman who wants to be a Gucci.

The film explores different themes including crime. The portrayal of the murder of Gucci is done quickly and is not a big part of the film.

Overall the film scores three out of five stars.

**Can you describe and review your favourite film?**

# Famous British Director

Richard Curtis

He is almost his own genre of films.

- Mamma Mia
- Bridget Jones
- About Time
- Four Weddings and a Funeral
- Notting Hill

Have you heard of any of these?

They are all rom-coms (romantic comedies)
