MEDIATION TASK:

Your friend made a cake yesterday but she wasn't happy with the result. She sent you a WhatsApp message. This is the message from your friend:

HELP ME! Yesterday, I made a cake, but it was horrible. It didn't taste of anything and it was a bit heavy!

Tomorrow, my mother-in-law is coming to visit and I want to make a good cake.

She's allergic to milk and my recipe has milk in it.

Now I have a big cake and I can't eat it all because I'm living alone at the moment and it is very big for me.

Oh, no! I don't know what I can do. Please ask your Mum. She's an excellent cook.

I don't know what to do. Send me a message with your answer.

You contacted your Mum and she gave you some notes with tips on how to make a good cake. Here is the information your Mum sent to you:

TASK: Reply to your friend in a WhatsApp message and give her/him some advice. Write 50-60 words.
